and Division of Occupational &
Professional Licensing**

**2009 IFC Flammable &
Combustible Liquids
September 22nd 2011
8:30am – 4:30pm**

**FIRE MARSHALS'
ASSOCIATION OF UTAH**

Location: South Davis Metro Fire - Station #81 - 255 South 100 West, Bountiful, Utah

Costs: Fire Marshal's Association of Utah Members \$25.00 - \$30.00 for non-members

The Fire Marshal's Association of Utah (FMAU) is proud to sponsor this one day seminar. This seminar will cover the 2009 IBC and IFC Flammable & Combustible Liquids and will be taught by Scott Stookey an ICC Senior Technical Staff member with Product Development where he is responsible for the preparation of text and workbooks addressing fire protection, life safety and hazardous material provisions in the I-codes.

The course provides a basic understanding of the flammable and combustible liquids storage, use, dispensing, handling and mixing requirements in Chapter 34 of the International Fire Codes (IFC) and NFPA 30. Flammable and Combustible Liquids Code. General fire code requirements for hazardous materials and specialized requirements for motor vehicle fuel-dispensing activates (IFC Chapter 22), dry cleaning (IFC Chapter 12) and other specialized uses of flammable and combustible liquids are not covered in detail due to the time limitations of a single-day course.

This one day seminar is open to all who can attend up to 50 individuals. This seminar is made possible with partial funding from the Division of Occupational & Professional Licensing 1% surcharge funding from all building permits,
